

**ARE YOU
EXPERIENCING
ANY  ALL
OF THESE ISSUES
WITH YOUR
CURRENT?
SUPPLIERS!**

*Had enough of **abnormal turn over** within the industrial supplier industry?*

*Any issues with your current supplier and the **lack of communication**,
not returning calls, email's, or texts?*

*Tired of consistently having to **train or retrain** your sales representative on how **YOU want things done**?*

*Are you finding your **consumable needs** being **over stocked or under stocked**?*

*Are **back orders and inconsistent fill rates** affecting your companies bottom line?*

*Do your current supplier's **over-promise and under deliver** just to retain the business?*

We can help.

If you're ready for a change, and would like a more personal touch in getting your business needs met, KLJack and Co. may be what you have been looking for. Please contact your local sales representative.
